

FIFA World Cup Champions

Despite 2014 being the 20th World Cup, there have only been 8 different countries win.

FIFA's research expects more than 3.2 billion viewers for the 2014 World Cup, making it the most viewed TV event in history.

Scotland is the most heart-breaking nation. They have made it to the World Cup 8 times and lost in the first round all 8 times.

If Scotland is the most heart-breaking, Mexico is a close 2nd. They have lost 22 World Cup matches.

South Africa is the first and only host nation to lose in the first round of the World Cup.

Brazil is the winningest nation, having won 5 World Cup titles. Brazil is also the only team to qualify for every World Cup.

German player Miroslav Klose could break Ronaldo's goal scoring record of 15 World Cup goals.
